

In Memory Of My Ex

In memory of my ex

Who gave me a reckless yet pure love

In memory of my first

Who opened up my heart to love

In memory of the one

Who gave me a fragile and delicate love

In memory of my obsession

Who got me crazy I lost my mind

It was beautiful love, damaging pleasures

Came in my most naive years

And broke down the walls I took years to build

Changed my insecurities inside out

Re-wrote my principles

Almost lost my integrity

Still I cannot stop to love and cannot immensely hate

In memory of my Ex
